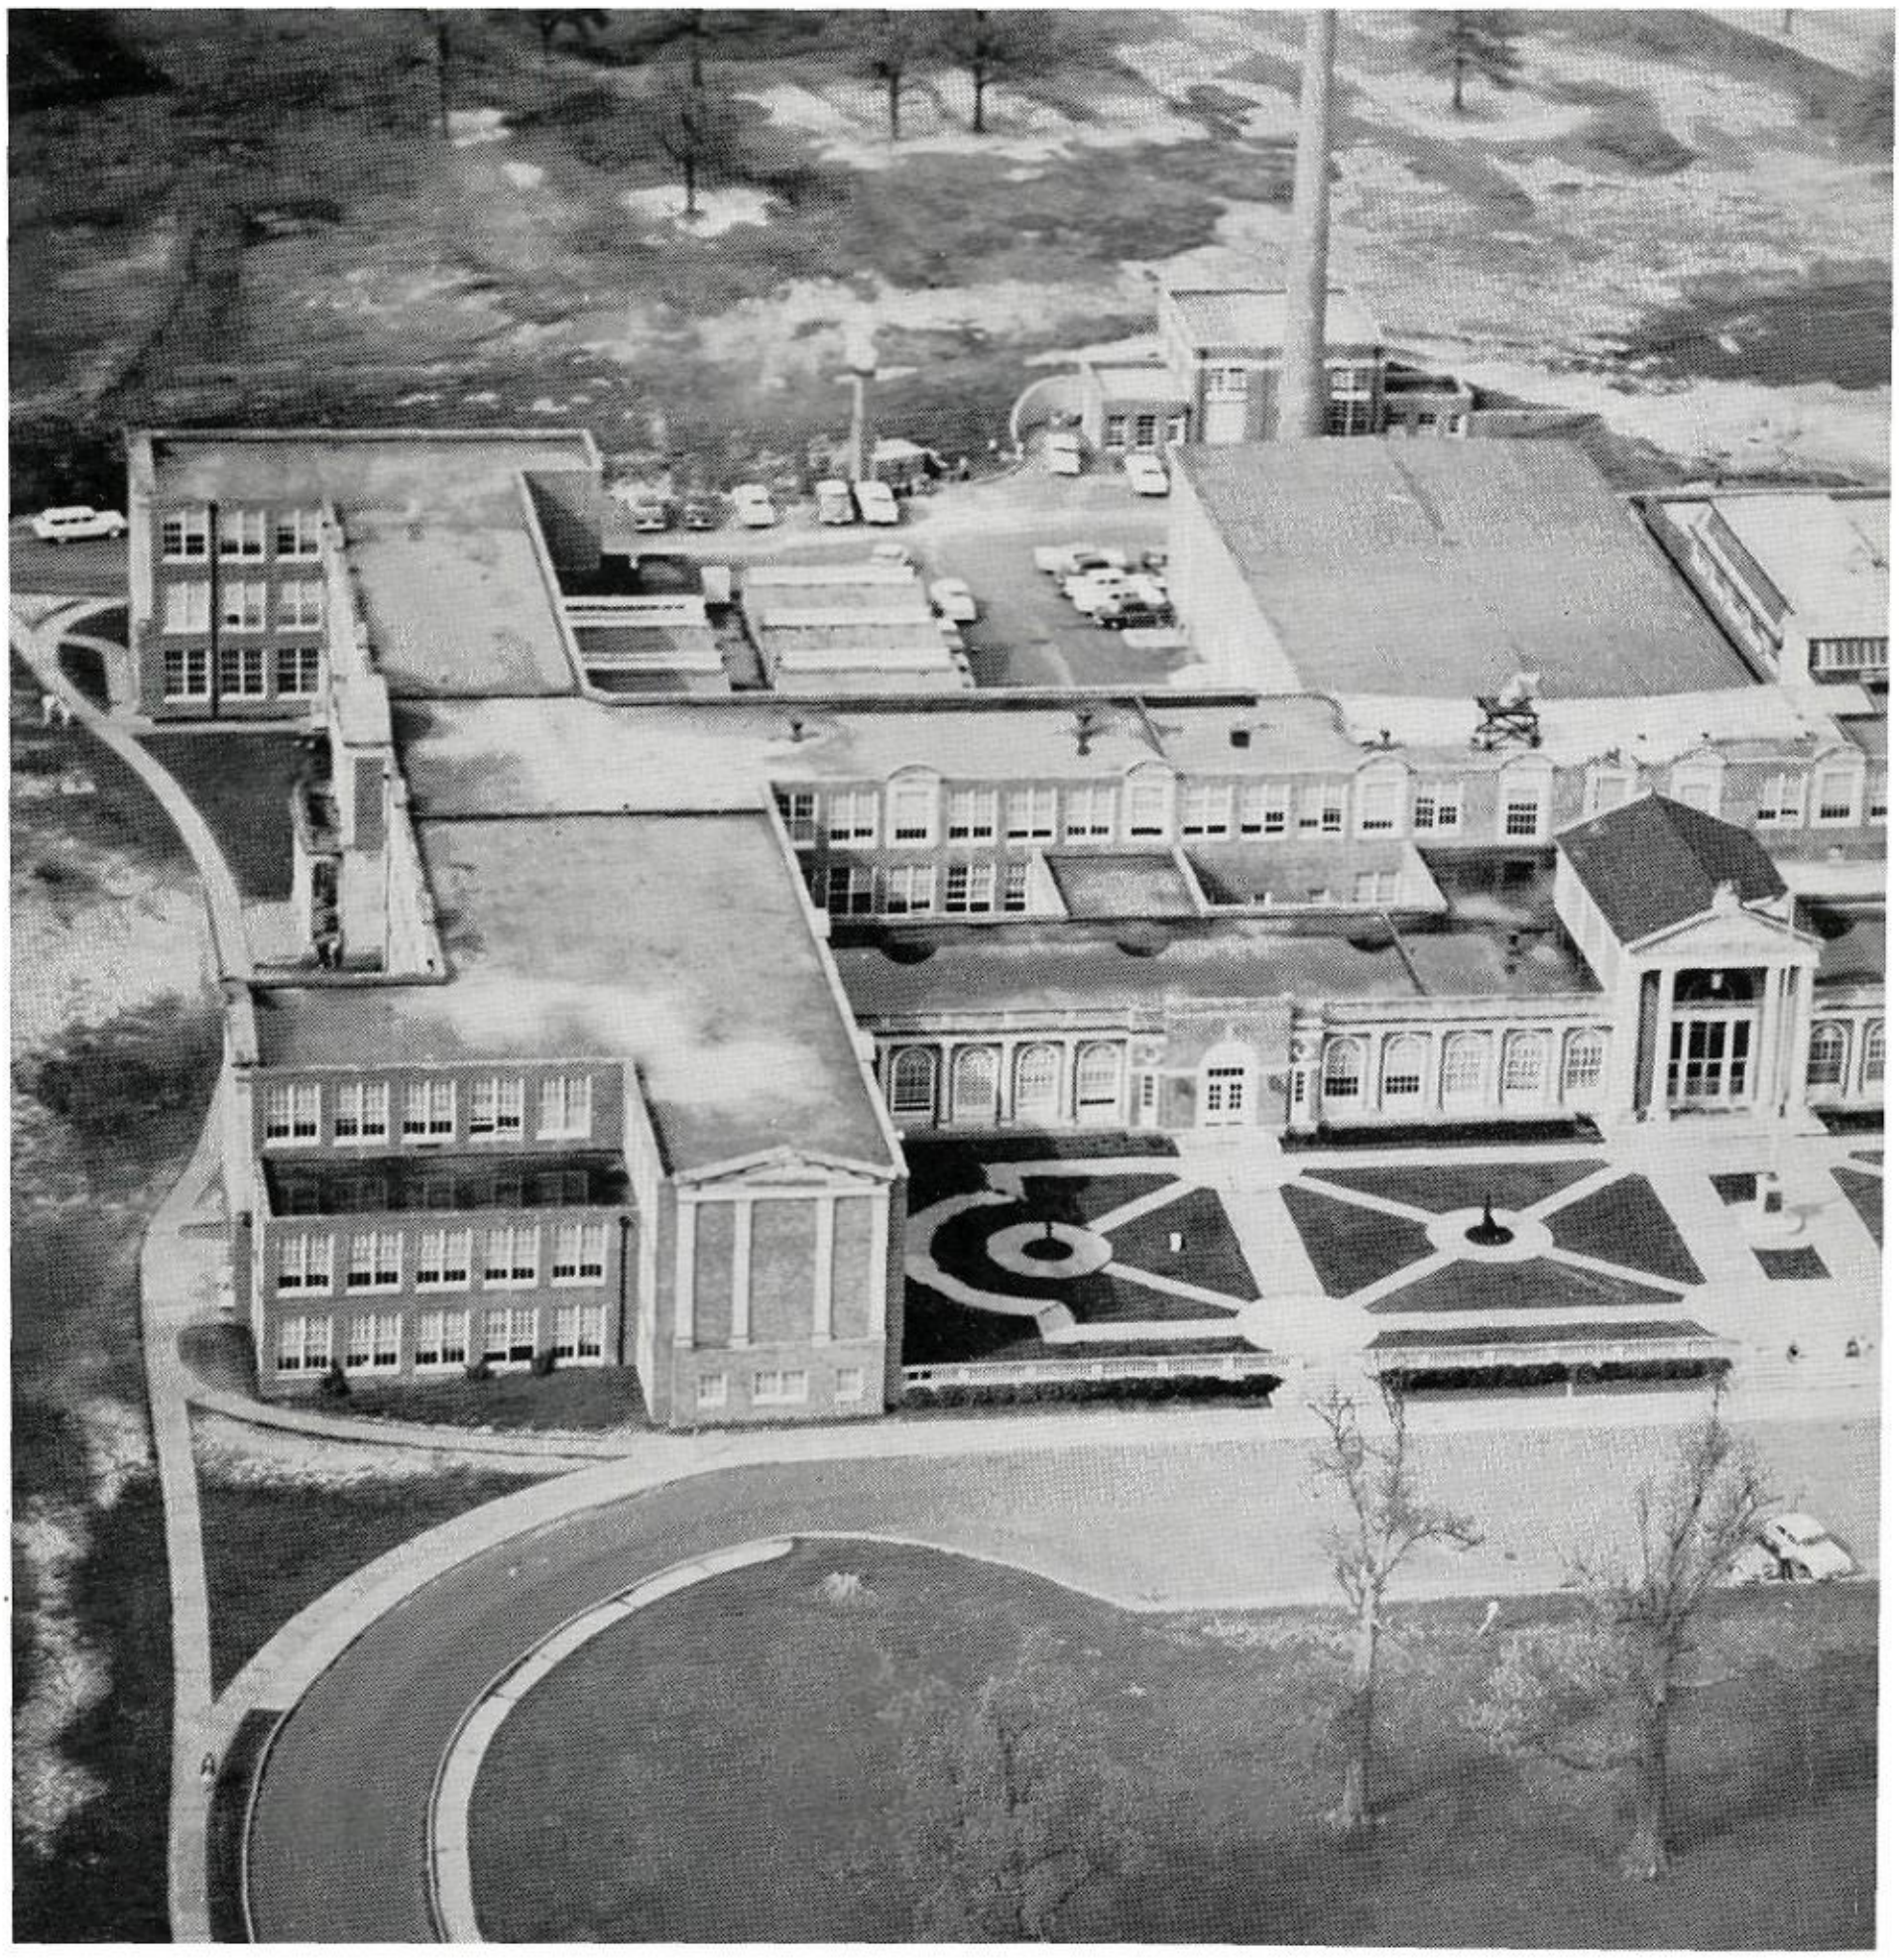
HOOFPRINTS



Eleven years ago the doors of East High were first opened. Since that day our school has grown and developed as one of the outstanding schools of Memphis. Its characteristics of cooperation, dependability, friendliness and leadership are typical of the fine school it is. As each student enters East High, he is shown these qualities through our students and faculty. As he continues his education here the Mustang ideals become his own. After many years, as he goes on to his own life, he carries with him these qualities and standards which have been instilled in him with his fine education. Every student becomes a HOOFPRINT of this Mustang spirit.

EAST HIGH SCHOOL

Dedication
to
Mrs. Dorothy Lee Dodd

For the past ten years, Mrs. Dorothy Dodd has been one of East High's outstanding teachers. In the classroom she has instructed many of us in mathematics and bookkeeping as an inspiring teacher and an understanding friend. Most all of our athletic activities will find Mrs. Dodd seated in our stands, cheering loyally for our Mustang team.

The 1959 graduating class is especially indebted to Mrs. Dodd. She has been a sponsor of this class during their sophomore, junior, and senior years. She was an invaluable advisor for the Junior-Senior Prom and also for the money- making projects during these past three years.

Mrs. Dodd has taken a personal interest in each of her students and is always ready with a helping hand. So to this teacher, friend, and counselor, in sincere admiration, love, and gratitude, we dedicate our 1959 MUSTANG.

TO THE SENIORS

It hardly seems possible that twelve years have passed since the very first day of school. Only yesterday we were playing jump-rope and tag at recess. When Junior High came with new teachers and new subjects, it still seemed as if we had a long way to go before we would be "grown-up seniors."

All through high school we continued to grow with East; we didn't realize it, for we were too busy with football, baseball, and other school activities. Our heads became a little bigger each time we walked off with honors in Latin tournaments, math contests, or R.O.T.C.

At last the glorious year arrived, and every moment was filled with something new and exciting. We were never too busy to bring more honors to East High. We studied hard for the Merit Scholarship Test and College Board Exams. Oh, the anxiety we endured while we waited to be accepted to the college of our choice!

Our senior year was not all work by any means. I don't think we will ever forget the senior blasts. Our last three months were the biggest of all. There was the senior play; to outsiders it was just another play, but to us it was a production just as great as anything that ever hit Broadway. It wasn't long before the prom, the senior luncheon, and baccalaureate slipped up on us.

We climaxed our twelve memorable years with the night we will treasure forever—graduation night. Our hearts were in our throats as we proudly marched down the aisle to the beautiful strains of "Pomp and Circumstance."

Now we must go our separate ways, but we will always share our treasured memories of the past years at East High. We will remember the heartaches and problems as well as the joys and fun. As we go our separate ways, may the Grace of God go with us, and may He help us all to lead happy, successful lives.

Donna-BonNA,

You big dud! You invariably have those multi-colored eyelids you accuse me of! You are as crazy as they come but I love ya to death.....that is when you don't stay up until 4 o'clock talking about that silly guy, what's his name.. Gene-Bean? Like you say I've helped you through several trials, over boys of course, David, Blinky(?)--but their was no real trouble with Blinky, was there? If you don't stay out of trouble for a little while, I'm going to completely give up on you. Don't give up on me dud I'm not really crazy.

Seriously, Donna, you & I have gotten to be good friends this past year and I really regret the fact that I'd never known you very well before.

Don't ever give up that sparkling personality that won you so many friends

Love ya, dud

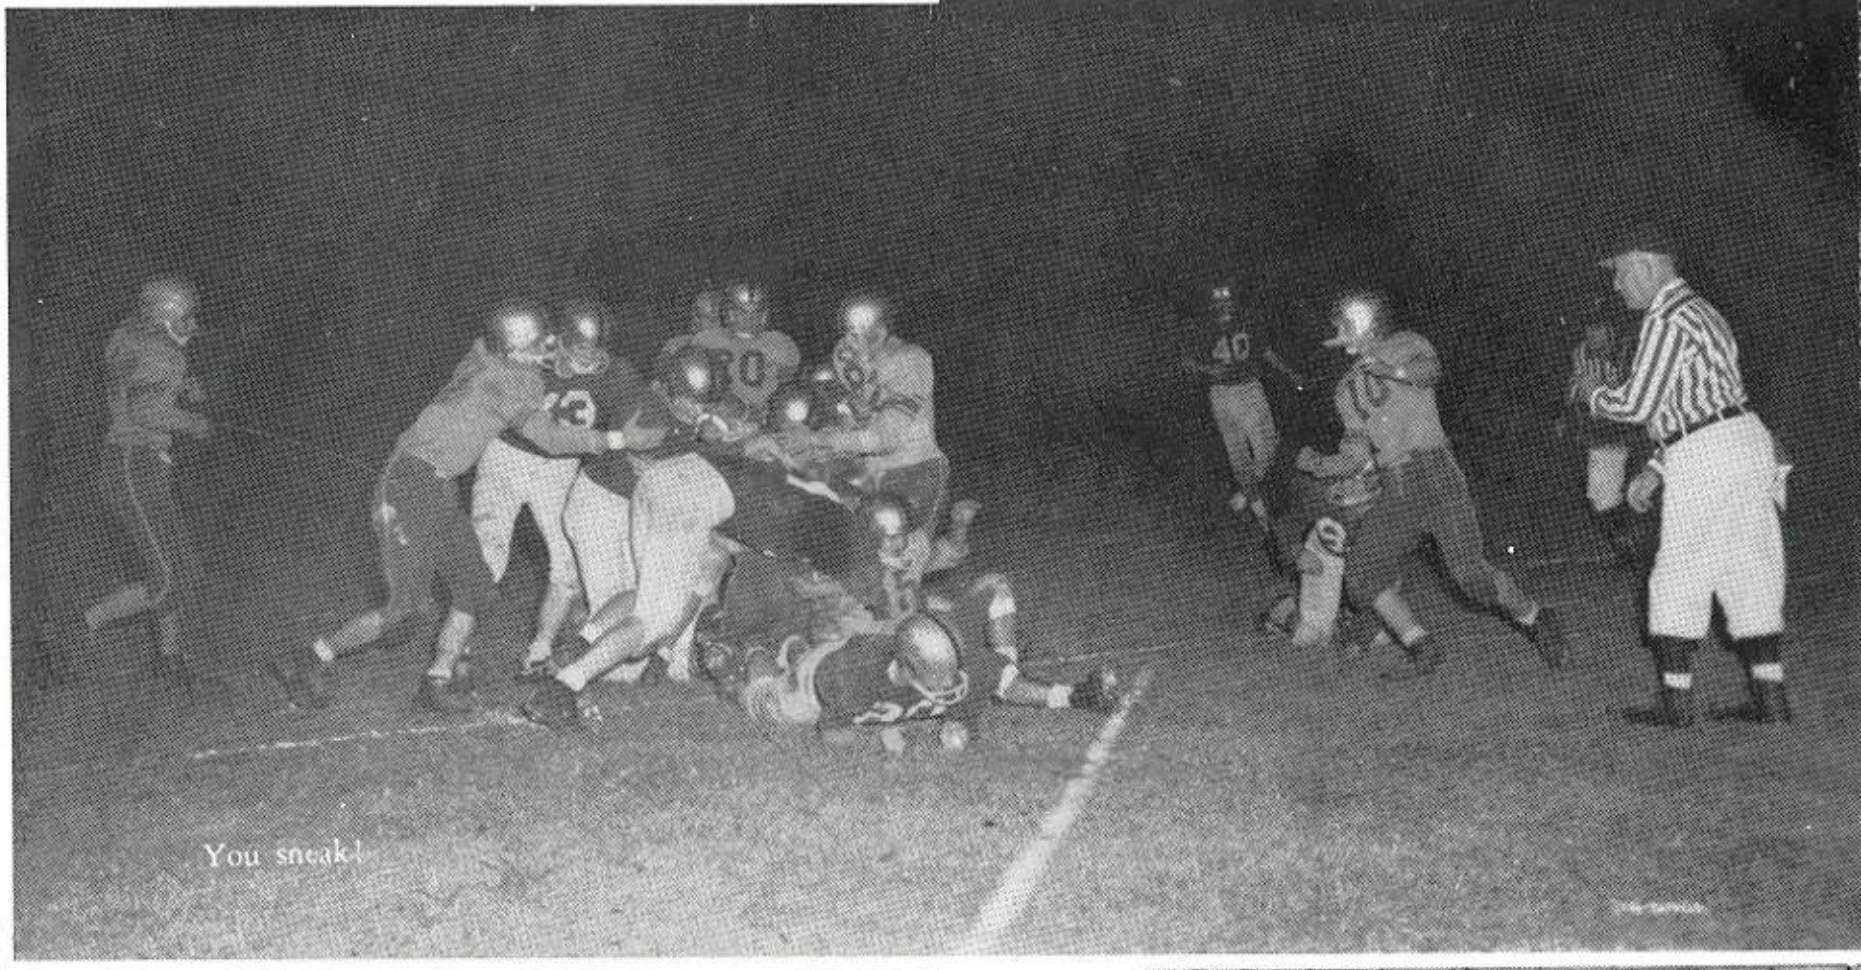
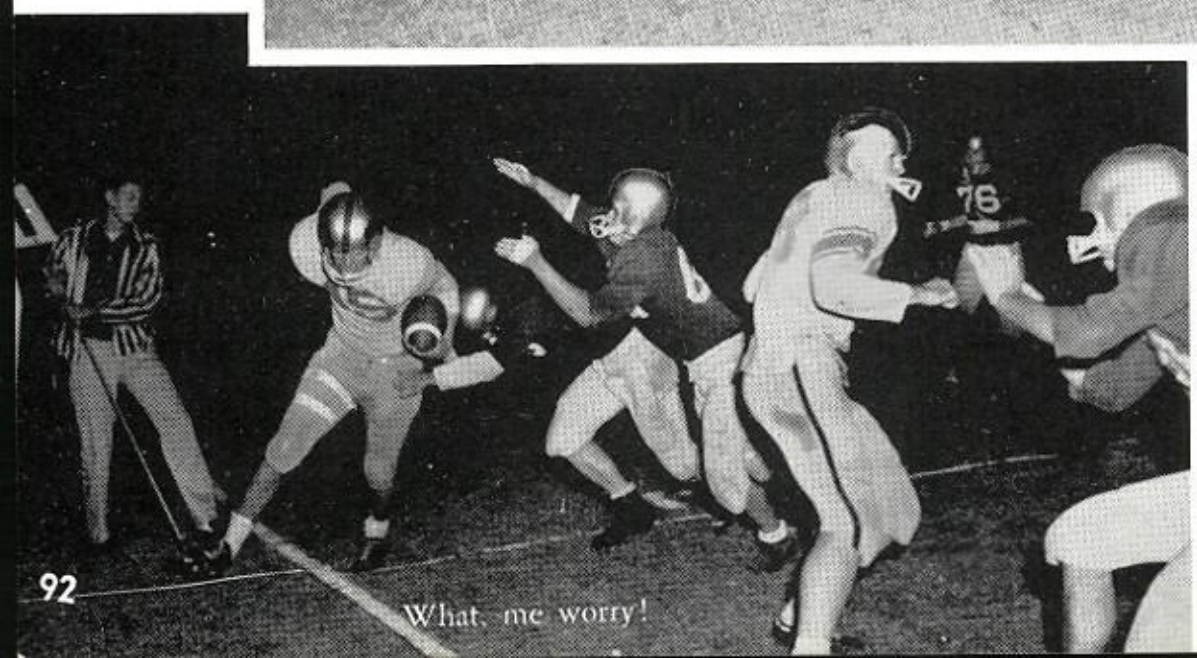
East Completes Ninth Full

Nice blocking, fellows.

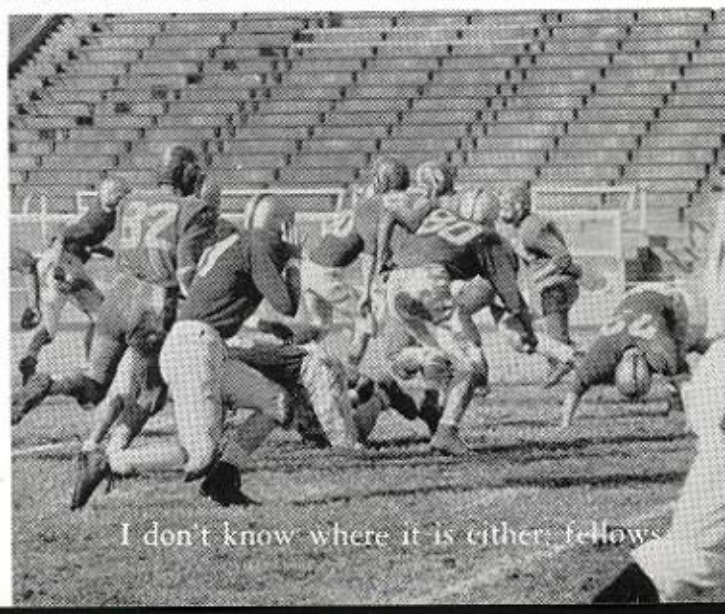
On August 25, 1958, the East High MUSTANGS started two weeks of grueling, summer practice. An unprepared East "11" met the "Whiz Kids" from Catholic High on September 11 and were defeated 41-6 by this championship contender. Bartlett, the county runner up, was tough but not tough enough as the MUSTANGS romped to a 6-0 victory. On October 3, a greatly improved East High team met the mighty South Side Scrappers and fought them on equal terms for three quarters before succumbing to the runners-up in the Prep League. The following week Frayser caught East off-balance and slipped by for a 12-0 victory. East played Humes and CBHS in the two games



You sneak!



What, me worry!



I don't know where it is either, fellows.

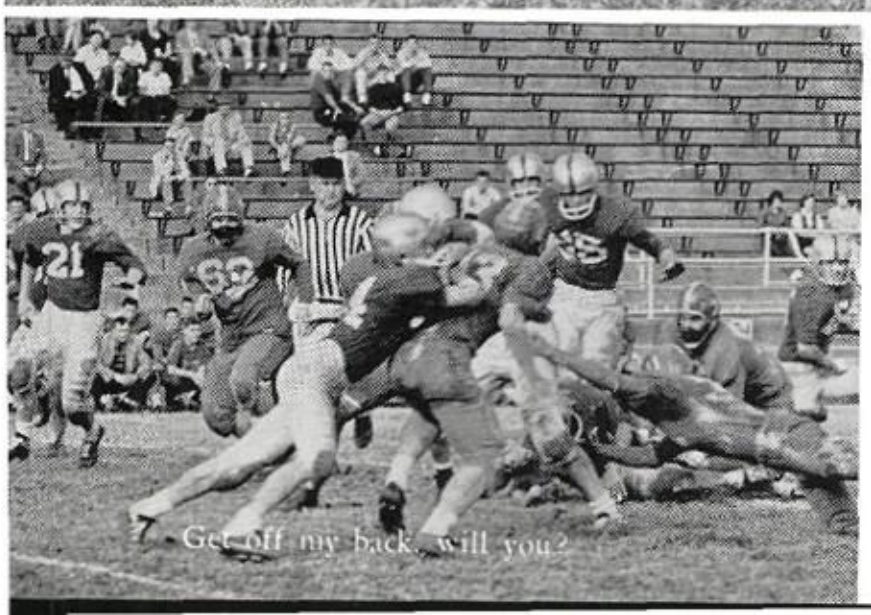
Season in Prep League

that followed and were decisively conquered. "Ain't Gonna Fly No More" was our battle cry but proved not to be adequate as we lost 33-7 to Treadwell. Messick and Central proved too strong as is demonstrated by 27-14 and 39-0 scores. East closed their ninth full season in the Prep League with a decisive victory over Tech.

Senior standouts in the line include David Webb, Louis Weeks, Hugh Harwood, Thomas Faber, Mike Goodman, Larry Weiss, Henry Hathaway, Louis Trotter, Wermund Sugg. Outstanding senior backs include Bill Harwood, Robert Agnew, Jimmy Tackett, Ronnie Davis, and Dan Poag.

Baby needs a new pair of shoes, Webb.

Watch your hands, Weiss.



Get off my back, will you?

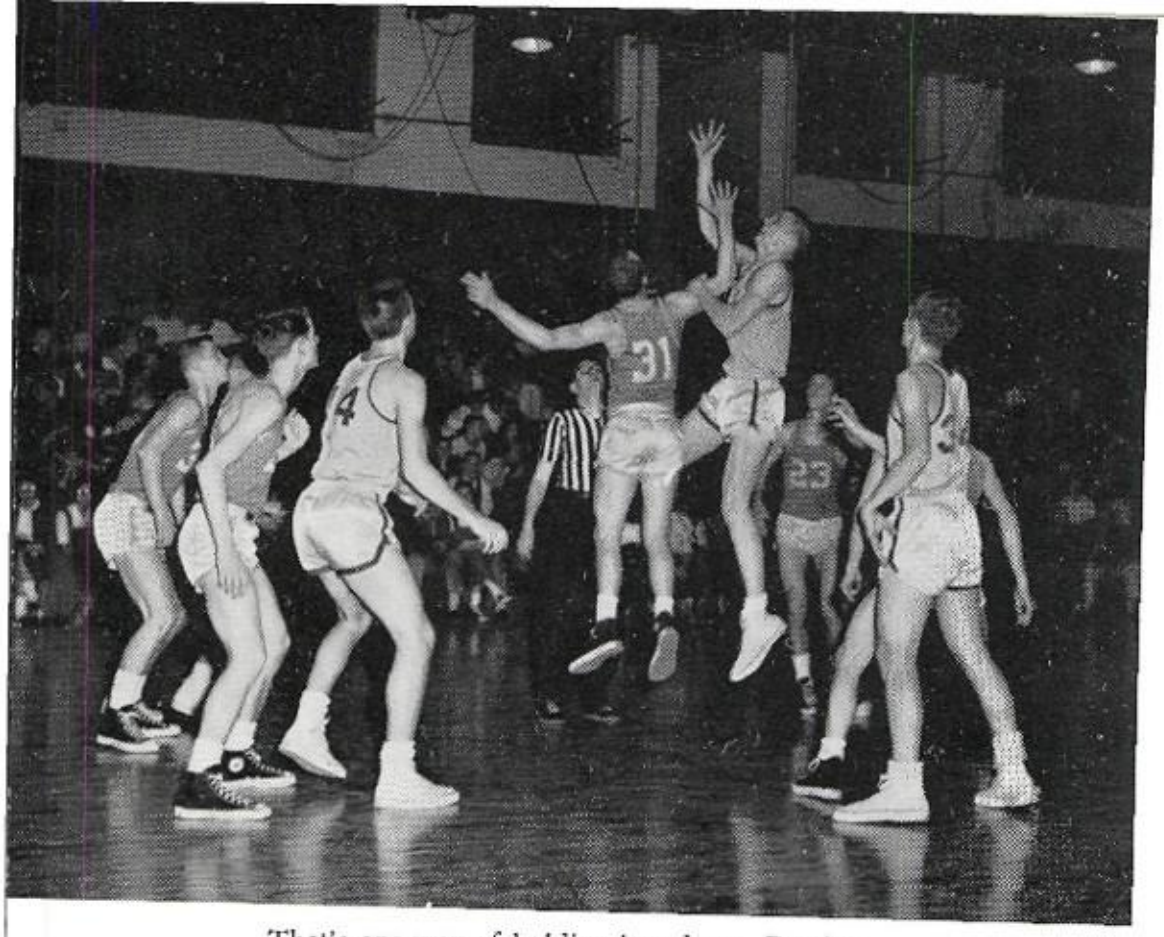
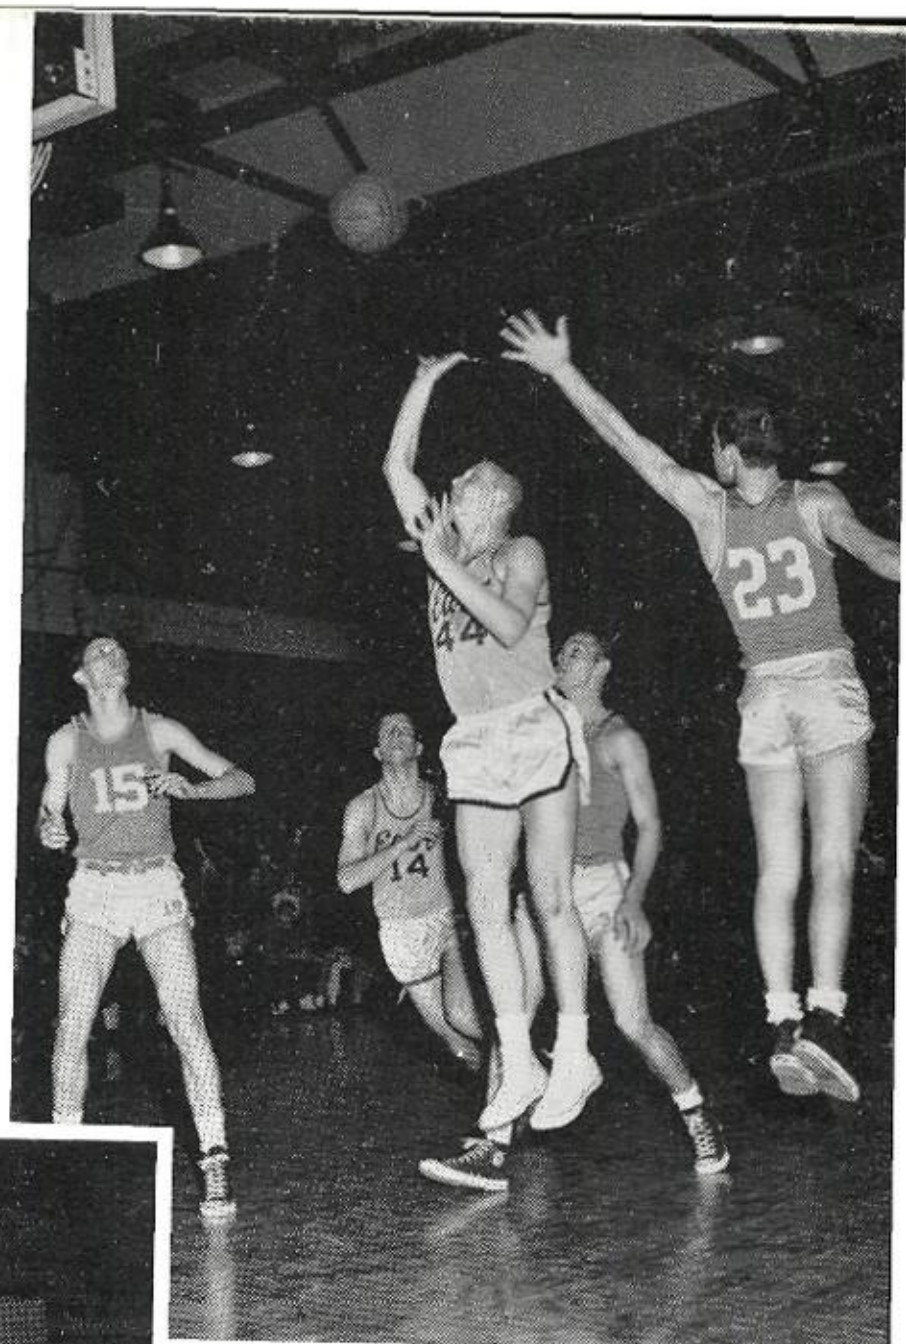
East Second

The "East 5" had another great season this year as they finished a strong second in Prep League play. With consistent high scoring and an invincible defense, the Mustangs thwarted almost all opposition.

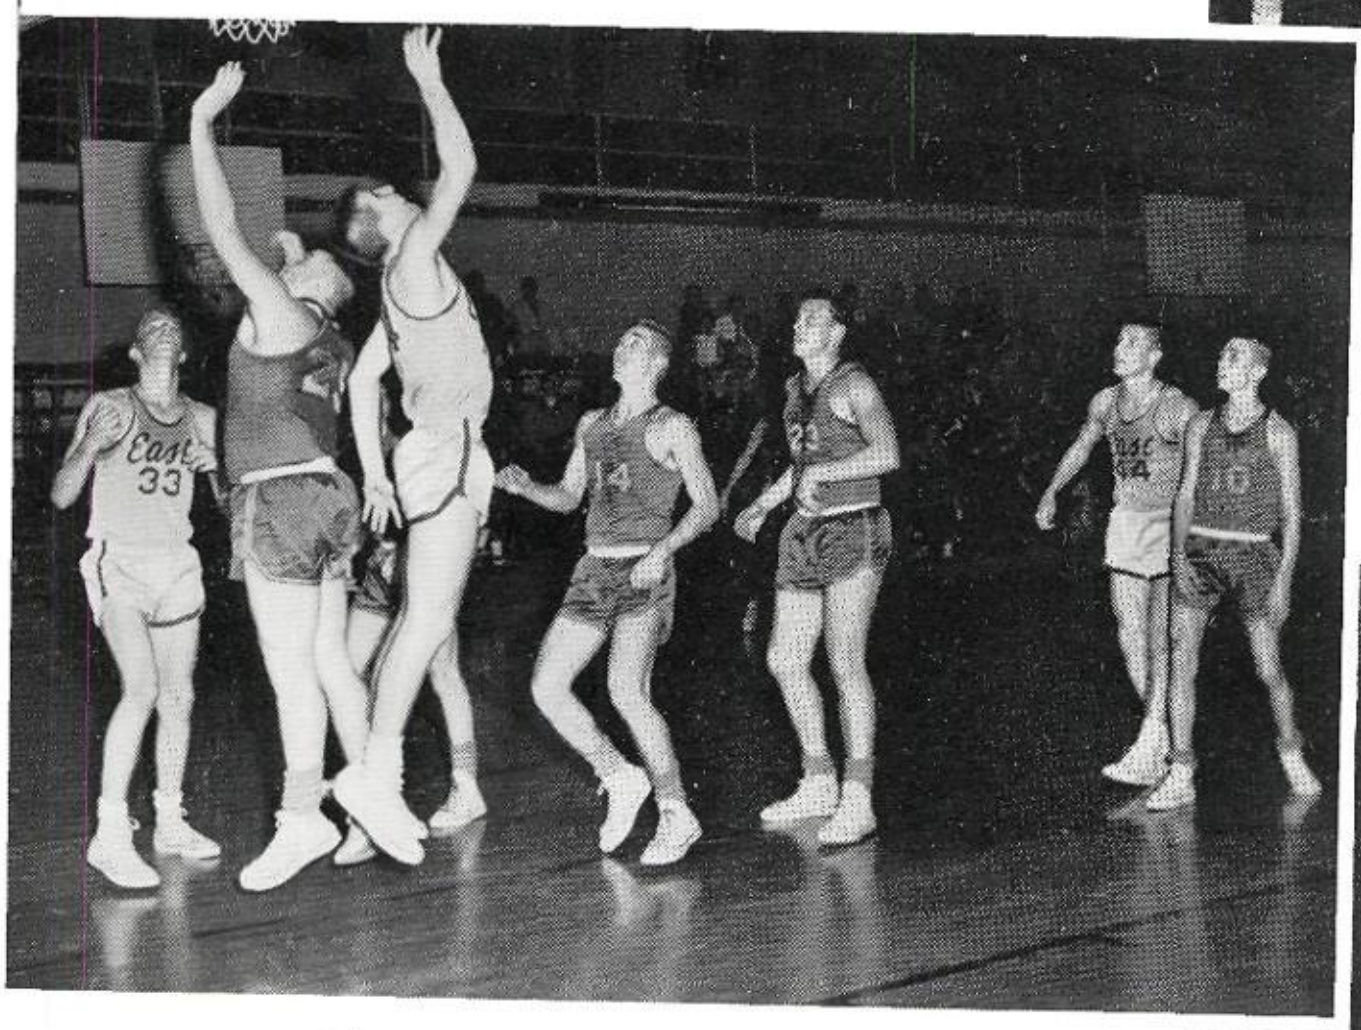
Standout seniors on this year's squad were All-Memphis David "Gibby" Gibson, Ronnie Davis, and Mike Goodman.



That's one way of holding 'em down, Bessire.

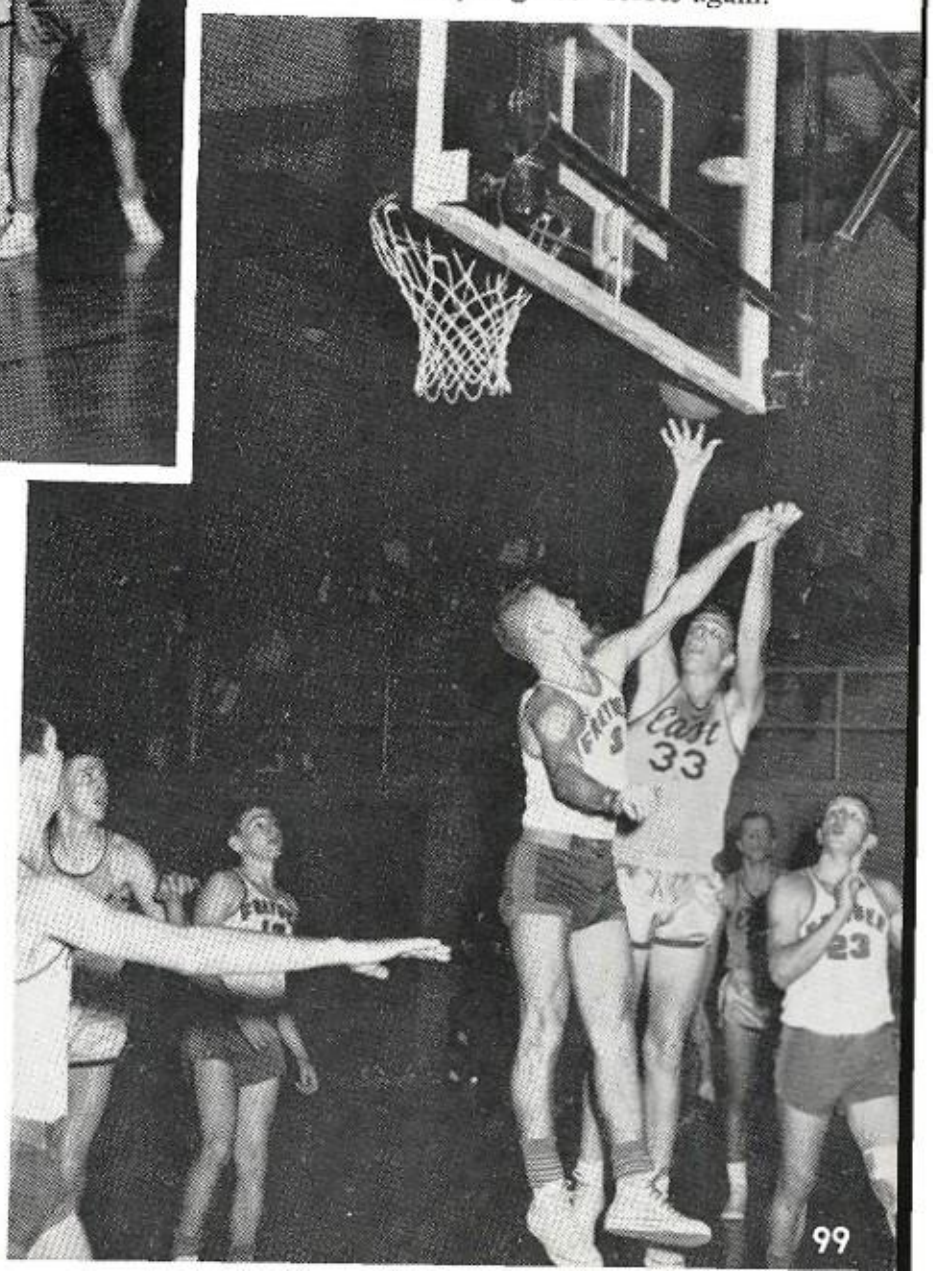


Ron racks another one.



Gibson sinks another "Gibby Special."

"Billy Bigfoot" scores again.



n League

Newcomer Stan Sieber also proved to be an asset to the team. The height necessary for rebounding was given to the team by lanky Bill Bessire, Marshall Criss, and Happy Rush, who along with Fred Ridolphi, added to the Mustang's powerful scoring punch.

There are high hopes that next year's team will follow in the footsteps of the present East quintet.

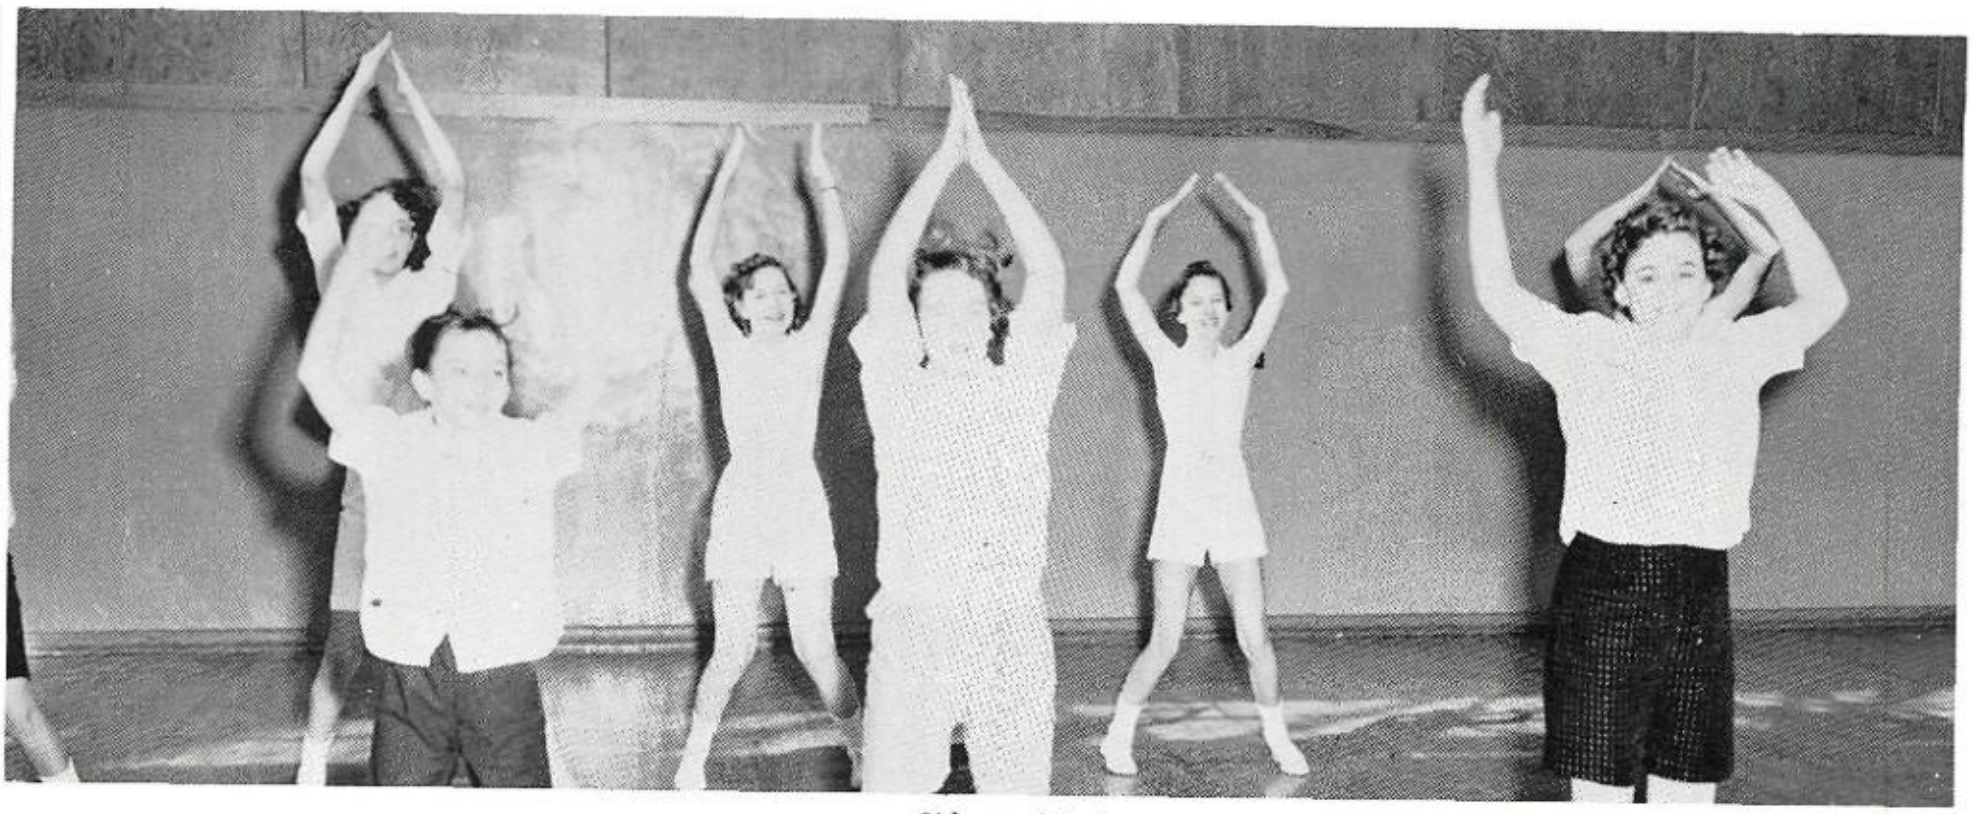
DEDICATION

This year's sports staff would like to dedicate this half page to Coach Frank Horton, an outstanding man as well as coach. Through his extended efforts, the junior high sports have flourished mightily. November saw the close of an outstanding football season when they romped to the Eastern Division Championship. The ponies lost a "Heartbreaker" to the tough Fairview Junior High for the city championship.

We consider Coach Horton's season outstanding, and we wish him continued success. May all his endeavors turn out as well as in 1959.



Side straddle hop.

Well, Donna here we go - another annual and I hope there will be many more - that is East High annuals and not Lausanne annuals. Even if you do go to Lausanne - I know we will remaine friends - as we have these last seven years. I know you and Gene are as happy together as you want to be and I only hope it stays that way. I hope you and Gene and Sam and I can get together a lot this summer - cause I know if we do we would have a blast!!! Donna, you are really a great girl with a personality that really counts - I really don't have to say all that jazz because everyone knows that, so stay the way you are and you will always be among friends.

Love,
